***Free-Standing Surgical Outpatient Facility Emergency Department,
Hospital Provider-Based Emergency Department and Hospital Based
Care Facility Criteria for Non-Medical Control MCA Endorsement***

The participation of Free-Standing Surgical Outpatient Facility Emergency Departments, Hospital Provider-Based Emergency Departments and Hospital Based Care Facilities in the HEMS MCA under the direction of HEMS will be considered with reference to the criteria set forth.

As a Free-Standing Surgical Outpatient Emergency Department, Hospital Provider-Based Emergency Department or Hospital Based Care Facility you are required to provide timely emergency care 24 hours a day, 7 days a week.

A Free-Standing Surgical Outpatient Facility Emergency Department, Hospital Provider-Based Emergency Department or Hospital Based Care Facility must meet the requirements set forth in the annual letter of compliance. All initial applicants must submit a cover letter expressing request for participation in the HEMS MCA with support documentation to substantiate that they meet the criteria outlined in the letter of compliance.

Requests for Free-Standing Surgical Outpatient Facility Emergency Department, Hospital Provider-Based Emergency Department or Hospital Based Care Facility participation will be based on the requirements outlined in PA 375 of 2000 and in addition Provider-Based Emergency Department participation must have obtained the conditions found in 42 CFR 482.1 – 482.45.

Acceptance into the HEMS MCA is ultimately determined by the HEMS Medical Control Authority through recommendation of the Medical Control Advisory Board based on compliance and bylaw requirements.
