Medical Control Privileges

Purpose: To establish minimum requirements for licensees applying for and retaining medical privileges within the jurisdiction of this medical control.

1. Minimum Requirements: All Levels
   A. EMS personnel shall possess a valid State of Michigan license.
   B. EMS personnel shall possess a valid CPR card.
   C. Paramedics are required to have current ACLS card.

   In addition to requirements established above, all levels shall successfully complete approved Medical Control requirements (i.e.: system orientation, protocol knowledge, clinical competency).

3. Minimum Life Support Agency Requirements
   A. Agencies shall possess a valid State of Michigan license.
   B. Agencies shall utilize a Medical Control approved patient care record.
   C. Agencies are responsible that their EMS personnel meet the requirements of this and other applicable protocols.
   D. Agencies must comply with protocols.
   E. Agencies must notify the medical control authority if they are unable to meet or comply with any protocol, statutory or regulatory requirement.
   F. Agencies must comply with the minimum staffing and equipment requirements as defined in P.A. 368 of 1978, as amended.

4. Optional Training Standards: mark and specify as applicable
   A. Basic Trauma Life Support
   B. Prehospital Trauma Life Support
   C. First Trauma Care
   D. Pediatric Life Support
   E. Neonatal Life Support
   F. Pediatric Education for Prehospital Providers
   G. FEMA Terrorism Awareness/Self-Study
   H. MCA Clinical Competency, specify: See Protocol 8-13 for Recommended Training
   I. 
   J. 
   K. 
   L.
5. Scope of Privileges
   A. A licensee’s scope of medical privileges shall be granted to the equivalent of those granted his/her employer agency operating within the jurisdiction of this medical control authority.
   
   B. In circumstances where a licensee is dually employed he/she may exercise privileges to the limit of his/her employer agency of the moment (i.e., a paramedic who is employed by an advanced life support agency and a medical first responder agency may only practice to the level of privileges granted to the agency on whose behalf he/she is acting).
